

DECLARATION

Product / products: Heat-shrink breakouts, type Pal
Product description: Heat-shrink cable breakouts with hot-melt glue
Product technical data: Material: cross-linked polyolefine, hot-melt polymer

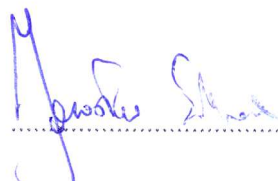

Working temperature range ($^{\circ}\text{C}$): $-55 \div +110$

Dielectric strength (kV/mm): 15
Volume resistivity ($\Omega \cdot \text{cm}$): $>10^{13}$
Nr of fingers: 2, 3, 4, 5
Input inner diameter range (mm): $33/10 \div 170/77$
Colour: black

Importer: TRYTYT Sp. z o.o.
ul. Sumpera 9
43-300 Bielsko-Biała
tel. +48-33-8119058
