

# Product data sheet

Room thermostat (1-way contact) 230 V

## Reference number

TR LS 231 LG

### Room thermostat (1-way contact)

screwless terminals for wires up to 2.5 mm<sup>2</sup>  
 screw fixing only, without claws  
 1-pole NC contact 10 (4) A, AC 230 V ~, 50/60 Hz  
 (The value in brackets indicates inductive loads with  $\cos \phi = 0.6$ )  
 Thermal feedback (neutral conductor required)  
 Hysteresis: 0.5 K, nominal range: +5 °C ... +30 °C  
 Separate terminal for temperature reduction of 5 K (e.g. during night time)  
 ON/OFF switch with status LED  
 When set temperature is reached the contact opens up.

### Thermoplastic (breakproof) high-gloss

**Colour:**  
 light grey

**Material:**  
 thermoplastic
